at least two weeks prior to the event.

RSVP's for childcare may be made to your meeting coordinator directly. Please notify the Kids' Club director if more than eight children are expected, so that we can provide adequate supervision.

## Thank you for sharing your children with us!

Kids' Club provides a safe and nurturing environment for children **birth through school age**. Parents may attend church, teach Sunday School, sing in the choir, or attend committee meetings while their children attend Kids' Club. Our program is open for parents to visit at any time. Parents are invited to stay and visit with the staff as long as they wish in order to feel comfortable leaving their children.

### Procedures

Please help Kids' Club run smoothly by completing these steps when you enter the room:

1. Sign in your children on the form provided, noting any allergies or special needs.
2. Make a nametag for all children and a label for your bag and any cups you leave.
3. Write down your cell phone number or take a pager from the counter and write its number on the sign-in-sheets.

Parents will need to supply diapers, wipes, bottles/sippy cups and/or baby food if necessary. Ready-made bottles are preferred.

Parents may leave a special drink or snack. We will provide goldfish crackers and water. **We are a PEANUT FREE environment!**

### Parent Notification

At times children are sad to see parents leave. For this reason, Kids' Club has the use of cell phones and a paging system in place. We will text your cell phone "Kids Club needs you to return for (child's name)" or page you if your child remains upset for more than a few minutes. We want them to enjoy coming to St. Paul's with you!

**We hope you can enjoy the worship service or church event knowing that your children are safe in Kids' Club!**

### Illness Policy

Please DO NOT leave children who have had a fever or diarrhea within the past 24 hours or who have a severe cough and runny nose.
