April 2008

St. Paul's Episcopal Church in Cary is home to an active, caring, and diverse congregation of the Episcopal Diocese of North Carolina. Through corporate worship, spiritual development, fellowship, and service we continue to grow together in faith. We strive to be Christ's welcoming, reconciling and transforming presence in the world through our many and varied ministries.

Next Newsletter Deadline

at 10:00 a.m.

Dear Friends:

50th Anniversary

I don't know about you, but I thoroughly enjoyed the visits of Rev. Rod Reinecke, St. Paul's first priest, and Bishop Robert Estill, former bishop of the Diocese of North Carolina. On April 13, at both the 9:00 a.m. and 11:15 a.m. services, we will welcome Bishop Gary Gloster, the retired bishop suffragan of the Diocese of North Carolina. Bishop Gloster and his wife Judy now live in the mountains of North Carolina. In a recent conversation I had with Bishop Gloster, he expressed how excited he is about joining us in April. Besides preaching at two services that day, he will also lead a forum between the services. I guarantee it is something you do not want to miss.

Ministry Fair

Do you have any idea how many ministries are available for you to become involved with at St. Paul's? I'll bet you don't. On Sunday, April 20, St. Paul's will celebrate its annual Ministry Fair. It will be an opportunity for all of us to celebrate the diversity, variety, and depth of ministry in this wonderful parish community. I would like to encourage our newer parishioners to attend the fair if only to get a flavor for the vastness of possibilities with which to become involved. So many newer parishioners are seeking a community and a place to belong. Within this Ministry Fair you will see the numerous ways to find what you are seeking.

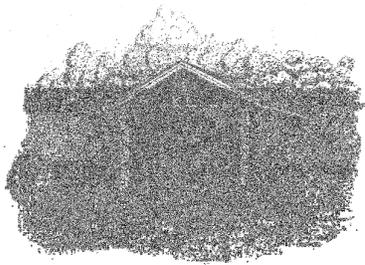

Hermano Day

During the celebration of the Eucharist, at the recent Diocesan Convention, I found myself sitting behind Fr. Tony Rojas. I would guess that most of you at St. Paul's may not know Fr. Tony. He is an Episcopal priest who leads a ministry among farmworkers living and working in Newton Grove, only one hour from Cary. Tony did not know I was sitting behind him until the sharing of the peace. When he saw me he gave a great big hug. While I do not see Tony that often, St. Paul's is in relationship with him through the outreach we support each year through Hermano Day, which will take place this year on Sunday, April 6. Please read more in this newsletter about this important day.

Stewardship

We appreciate all the pledges that have been made to St. Paul's. It is through your financial support that we go forward in ministry. If you have not yet made a pledge, I am personally inviting you to do so. While you may intend to support St. Paul's, a pledge lets us know how you intend to offer that support. This enables us to plan for the upcoming year. If you have never done this before in your life, which is more common than not, please do not hesitate to call or email me and we can have a conversation about it. Perhaps I can assist you in discerning how to go about making a pledge.

George

NEW PROGRAM Pre-EYC for 4-6th Graders!

I am very excited to introduce a new program for 4th, 5th, and 6th graders, which will help those children transition from being the elder statesmen & stateswomen of the Children's Ministry program into being the rising tide of the EYC youth group. Carla Traudt, who has been building and leading fabulous youth programs for many years and has a particular interest in this transitional age group, has volunteered to create and anchor this program, which we will be trying out this spring.

Building on programs she has led in the past, Carla will be leading this "prEYC" program on four Sundays this spring at times which correspond with the Middle School EYC time: 4:00 p.m.-5:45 p.m. This will involve a shared meal (which the kids help prepare) followed by games, activities, and even a short liturgy. Sixth graders are of course already eligible and most welcome at EYC, but will, on these Sundays, be offered the choice of which group they would prefer to attend. Participants will meet in the chapel at 4:00 p.m.

YEAR ROUND STEWARDSHIP UPDATE "Guide us in Sharing"

As we gather pledge cards, we are encouraged by the generosity of our parishioners. All of your financial support is greatly appreciated. It allows St. Paul's to continue providing for and growing the many ministries we offer to our parish and community. Your pledge gives the financial means for St. Paul's to continue to live into God's call for our parish.

If you have not yet handed in your pledge card, please do so as soon as possible. Pledge cards are available in the narthex or at www.stpaulscary.org under the Stewardship tab. You can also send a CONFIDENTIAL email to our Financial Manager, Chris Lewis, at financial@stpaulscary.org. In your email, please outline your pledge amount and whether you will be giving weekly, monthly, or by lump sum. Chris will call you to confirm your pledge.

Thank you so much!

WARDEN'S CORNER

What's in a name (tag)?

What's in a name? A

lot! Your name is a symbol of who you

Warden's Corner

are—it's your identifier. The power of a name is best illustrated when someone forgets *your* name or calls *you* by the wrong name. You must admit that troubles with names can cause some awkward moments.

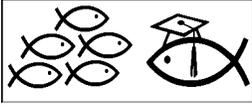

Now, imagine you are new to St. Paul's. At each service you'll be faced with 250 people whose names you don't know. As you boldly go out of your way to get to know these new people in your life, what tool would help you more than any other? What tool would help you assimilate and help you make your way in this new place? Yes! A name tag!

Wearing a name tag is not a badge of self-promotion; it's not even a badge announcing you as a member of the church. It's an active way that each of us can help the new worshippers among us. It's a tangible way you can participate in our efforts to be an open, welcoming church. Wearing your name badge every Sunday (and other times as well), benefits us all as we work in community. There are so many new people worshipping with us, there's no way that *anyone* can know *everyone* anymore! Knowing a person's name is the first step in developing a new friendship, and establishing yourself in a new place.

I have a real passion for newcomer's ministry, mostly because I have been new in so many places and I, like you, know how hard it is to start fresh in a place where you just don't know anybody. Making your way in a new church is not for the faint of heart—it takes courage!

A simple name tag is a powerful way we all be ministers, greeters, and ambassadors to newcomers. Your name is a wonderful gift to someone new!

"Let the little children come to me...for it is to such as these that the kingdom of God belongs." - Matthew 10:14

Pre-EYC

This spring our fourth and fifth graders have an exciting new opportunity to see what lies ahead in EYC. Carla Traudt, who helped with VBS last summer, is developing a Pre-EYC program for fourth, fifth and sixth graders. It will meet on April 6, April 27, May 4, and May 18 at 4:00 p.m. The students will prepare and eat a meal together, have time for games, crafts and study, and participate in a Compline service. Mark your calendars!

Godly Play

Adults have an exciting opportunity, too, as we prepare to offer the Godly Play curriculum to two classrooms this fall. Godly Play teachers will spend their preparation time on the story instead of the craft, and they will work with beautiful materials to share the story of God's people with the children. We are looking for six to eight teachers to work and learn with kindergarteners and first graders in this new style. Contact Jennifer Shy to learn more.

Visit SonWorld Adventure Park - VBS

Vacation Bible School (VBS) this summer will take us to SonWorld Adventure Park – a trip of a lifetime! Week-long passes will be available for July 21-25. Price of admission for the week is \$10 for one child and \$5 for each additional child in the family. Passes will entitle your child (age 3 through 5th grade) to games, stories, crafts, music, SonWorld snacks and a SonWorld T-shirt. Parents who volunteer will gain free admittance to the Park and nursery care will be provided for underage children during a parent's volunteer time.

Registration forms are now available in the Narthex and online. Book early to ensure space is available for your child. **If your child is unable to attend during this fabulous week of adventure, we will gladly provide you with a list of other VBS opportunities with our area churches (including some evening camps).** If

you have any questions or would like to know more about volunteer opportunities, please call our Park Director, Jennifer Shy.

Heroes and Villains

While Sunday School is on vacation during the summer months, Children's Chapel will be ongoing at both services. A special summer Children's Chapel curriculum will be geared toward fun and frolic! This year's theme will be Heroes and Villains and we will tell the tales of some the more notable good and bad characters from both the Old and New Testaments.

As always, to ensure the continuing spiritual education of our children, we need volunteers to teach. Both the story and the activity ideas will be provided to you to make this as easy and enjoyable as possible. If you can commit to one or more days this summer to teach Children's Chapel, our program will continue to be a success. Please see Jennifer Shy to volunteer.

Children's Offering

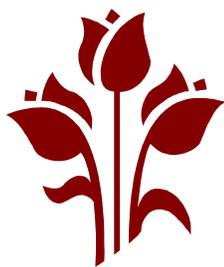

The Children's Offering, designated for the Heifer Project this year, will conclude in May. To date, we have raised \$961. Check out our thermometer in the Education Building to see what these funds will purchase for indigent families in Third World countries. Our 4th grade Sunday school class will determine what charity will receive the Children's Offering in the fall, so stay tuned for further "offering" news. And, a big thanks to all the children who have given their gifts this year. God loves the littlest treasure as much as he loves our littlest givers.

Teachers Make the Grade at St. Paul's

As our Winter/Spring semester draws to a close, it is time to start thinking about what class you would like to teach next Fall. The Godly Play curriculum will be offered to kindergarten and first grade, while the other classes will continue with the Episcopal Children's Curriculum. Please consider sharing your smile and your love of God with the children next Fall. Contact Jennifer Shy to volunteer (churchschool@stpaulscary.org).

PRESCHOOL: HAPPY SPRING!

Preschoolers had a fun March, preparing for Easter and celebrating St. Patrick's Day. Easter egg hunts and parties were so much fun. The Museum of Natural Science brought its Reptile Field Trip to St. Paul's. Most of the children loved touching the lizards and snakes.

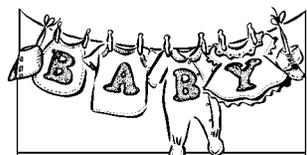

Yea!- Spring Break is the first week of April and we all hope that we have warm weather. Preschool opens after Spring Break on Tuesday, April 8th. We will also have class and individual pictures taken on April 21st and 22nd.

The children have grown up as this year has quickly passed. We are into the last couple months of school, preparing for our End of Year Celebration on Wednesday, May 21st. WOW!

We will also have Summer Camp the first two weeks in June. The first week is full but we still have room in the second week. Please call the Preschool Office, 467-3788 with any questions.

Oh Jonah!

life & lessons of the prophet Jonah

at 9:00 a.m. and 11:15 a.m.
Sunday Worship Service, April 27

presented by the
The Epiphany Choir and
Junior Choir of St. Paul's

Oh, Jonah! is a whale of a good time for choir, actors and the congregation as the story of the prophet Jonah is brought to life with music, mime, and merry-making. It's more than just a story about a whale swallowing a human. It's a story about us. It's a tale involving responsibility, repentance, listening for the word of God in our lives, accepting people who are different from us, and believing that there is mercy and compassion for all who turn toward God. Serious thoughts, but told with a sense of humor and absolute fun.

Special thanks go to everyone who donated an items, and everyone who volunteered their time.

LAY WEEDERS

For five years the gardens of St. Paul's have been maintained by the Lay Weeders. We hope to continue this important work that is the first impression given when entering the grounds. We need someone to take over the volunteer position of leadership in this ministry. I started the Lay Weeders, but I no longer wish to be the leader. This position can be whatever the leader wishes it to be. You can write your own job description. Contact me for more information. Kay Lindquist, bkldinq@nc.rr.com, or 674-0124.

11th ANNUAL "DIA DEL HERMANO" — HERMANO DAY

Sunday, April 6th is the 11th Annual "Day of our Brothers" at St. Paul's. This is the day when we bring donations of men's clothing, sheets and towels to church for the Episcopal Farmworker Ministry in Newton Grove, NC. Representatives from the ministry will visit St. Paul's to speak with us and to accept our donations. Father Tony Rojas, our diocesan priest to the farmworkers, will distribute the items to the men arriving in labor camps near Newton Grove.

Father Tony's ministry aids these seasonal farmworkers who, each spring, make the journey from their homelands in Mexico or Central America to North Carolina to cultivate our state's fruits and vegetables. Many come here under the U.S. government's H-2A program, which helps U.S. farmers find temporary agricultural labor.

The farmworkers earn very little (usually between \$5,000-\$7,500 per year) and much of that goes to pay for transportation to and from North Carolina. They work long, hot days under the harshest of conditions. They are exposed to dangerous pesticides and live in crowded, primitive labor camps where they experience great isolation and loneliness.

The Episcopal Farmworker Ministry in Newton Grove helps provide these workers with a sacramental ministry, along with food, medicine, clothes, and bedding. Father Tony ministers to more than 30 labor camps in Wake, Johnston and Sampson counties. He counts on St. Paul's to help him help the farmworkers with their essential needs. The greatest needs are for:

Men's pants (sizes 24,26,28,30,32,34)

Men's long-sleeved shirts (small and medium)

Men's t-shirts (small and medium)

Men's socks

Men's athletic shoes (smaller sizes)

Sheets, towels, pillows, light blankets

Both new and used items are welcomed. Monetary donations to the Episcopal Farmworker Ministry are also appreciated.

Quote from Father Tony Rojas, "The farmworker understands that the Church, through its ministry, is trying to cover their bodies with clothes and their souls with the love of God."
