We have individual hats, hat and scarf sets; as well as hat, scarf and fingerless glove or mitten sets to keep you warm over the winter months.

There are a few cowls, fingerless gloves, mittens, and many scarves. We have some beautiful shawls with intricate designs priced from \$15 to \$50.

For those little ones, we have a white baby blanket with matching hat, the perfect gift for the baby on-the-way. We also have a variety of individual baby hats and soft, cozy baby blankets. The mini-throws would be perfect for the young children to stay warm in the car or while reading at home.

Items for your home include afghans, pillows, butterfly magnets, note pads, plastic bag caddy, soap bags, dishcloths, and washcloths.

“**BODO**” hats are back! This means you'll **Buy One** hat and you may **Donate One** hat to one of the three organizations that St. Paul's Outreach and Prayer Stitchers plans to help. Over one hundred hats will be on a designated table during the festival, all priced at \$12.00. You buy one hat for \$12.00 and you get to choose a second hat to place in a container for one of the three organizations; thus you're not only getting a hat for yourself, but you're also choosing a hat to give to someone in need.

The three organizations are:

- 1) **Note in the Pocket:** provides clothing to impoverished and homeless children in Wake County. Note in the Pocket believes it is unacceptable that children are limited in their educational and social development because they do not have appropriate clothes for school.
- 2) **With Love From Jesus:** serves the men, women, and children in Wake and Johnston counties experiencing homelessness and hardship. The organization gives hope and encouragement to individuals and families in crisis by sharing the gospel and meeting practical needs.
- 3) **Military Missions in Action:** dedicated to assisting veterans with disabilities, members of the Armed Forces and their families. This vision is to set the standard of support for our veterans with disabilities.

Please join us on November 10 to purchase a hat for yourself, as well as a hat for someone in need, both for the price of \$12.00. What a deal!
