Dear Friends,

Lenten Journey Thoughts

My whole spiritual journey has been so powerfully shaped by the words of Thomas Merton, in particular his thoughts on the discovery of the "true self." I recently came across a phrase of Richard Rohr which expresses it in a kind of catchy way. Jesus gives us "real eyes" to "realize" where the "real lies."

I would like to invite you during this Lenten and Easter season to develop your "real eyes." There is so much in life that distracts us from the "real." So often the distractions become the real for us and lead to emptiness and loneliness. Jesus suggests a way of seeing that opens us to the real. Please look through this newsletter and discover both liturgical and educational opportunities that will invite you to consider seeing with the "real eyes" of Jesus.

Children and Youth

As we move through this interim period of staffing for our children and youth programs I want to update you about where we are in our process. There have been meetings with the Children's Ministry Committee and the Youth Committee as well as the Youth Council. These meeting have been focused on looking at where we find these programs now, and where we would like them to be.

With the information gathered we are looking at the staffing requirements to support these needs, including the number of hours necessary for these positions. As we come to the conclusion of our stewardship campaign we are also looking at what funding will be available to support the staffing needs. A Search Committee is being formed to take the information gathered and begin a process of advertising and interviewing. Recommendations will be made to me with final hires made, hopefully in the summer.

Please keep this process in your prayers as we move ahead in this exciting time for our children and youth programs.

George

Warden's Corner

For me, Lent is a time for introspection and prayerful reflection. It also means Spring is coming, and longer days. Not to mention wondering what I am going to give up for 40 days. Hard pretzels are hard to give up! This month, the stewardship drive comes to conclusion and will be celebrated March 25th. We are short of our goal by a fairly substantial amount. At the same time, the current stewardship cycle comes to conclusion – your pledge made in 2010 should be honored if at all possible by March 31st. We have heard many wonderful stories from the clergy and fellow parishioners about their experiences with giving and receiving in return. Our vestry goals are ambitious, and we listen to your voices and requests regarding what you want St. Paul's to

become. The vestry wrestles regularly with issues about staffing, utilities, campus improvements, security, repairs, youth programs, music programs, external demands for increased giving, starting new ministries and sustaining existing ones, etc. We hear you, and we want to respond. And the vestry and clergy respond by carefully allocating the gifts that are prayerfully given by you, the parish. At this time of year, at this time of reflection and sacrifice, please consider pledging for the new cycle, and honoring your pledge from the prior cycle, so St. Paul's can continue on our path of dynamic growth and support for you.

Elderberries

On April 20, the Elderberries will visit the J.C. Raulston Arboretum, located not far from the Fairgrounds. The Arboretum is a research and teaching garden, largely maintained by N.C. State University students, faculty, volunteers, and staff. There is no charge to tour this nationally acclaimed beauty spot, and

parking space is plentiful. It is hard to think of a more fitting way to welcome Spring than to spend an hour or two in one of the most botanically diverse and beautiful natural settings in America. All are invited to attend. Watch the bulletin for more information.

Tour of Replacements Ltd.

On Saturday, April 2, the MOMS Group and the Fellowship Group are teaming up to sponsor a tour of Replacements Ltd. Replacements Ltd. is a business located east of Greensboro that has the world's largest selection of old and new dinnerware. Do you have your grandmother's china or your mother-in-law's crystal but are missing pieces you would like to have? This is the place where you can find just that piece! Anyone at St. Paul's who is interested in

going on this tour is welcomed.

We will meet at the St. Paul's parking lot at 11:00 a.m. and will stop and have lunch on the way. We will tour the facility (tours are given every 20 minutes) and shop for a while. We plan to be back at St. Paul's around 5:00 p.m.

Sign up on the poster located in the narthex so we can coordinate the transportation.

Volunteer Coordination Committee

The mission of the Volunteer Coordination Committee is two-fold: to support the ministries and committees of the parish and to help individuals learn about and connect with those ministries which feed their unique talents and desire for service.

As part of our mission to support ministries, we will be offering helpful tips and reminders for ministry leaders.

MINISTRY LEADER REMINDER-OF-THE-MONTH

Is your committee planning a fund-raiser?

A limited number of fundraising events are approved each year. Planning ahead is key. It's not too early to begin planning for fall events. In fact, sooner is better. And don't forget... All fundraising requests must be submitted to the Vestry's fundraising committee for approval. Fundraising policies and applications are available on the St. Paul's web site under Ministry Resources.

Women's Study Group

The Women's Study Group will meet next on April 12th from 12-1:30 to discuss Three Gospels by Reynolds Price, the acclaimed NC writer who taught at Duke. This book studies the Gospels of Mark and John and also a new Gospel written by Price himself. One reviewer said, "Mr. Price inspires a passionate study of the Gospels, not to disprove or make

intellectual arguments, but to enter more deeply the divine mystery of Jesus' life, death, and resurrection." This should prove to be a timely study during the season of Lent. We would love to have you join us. For more information, contact Leah Dail (LeahDail@nc.rr.com).

As of last month, our total recycling efforts have amounted to 2,600 chip bags and 2,842 juice pouches! This is an outstanding effort. Unfortunately, our cookie wrapper donations have only amounted to about 300 wrappers – but we can't ask you to eat more cookies, can we? We will ask, however, that you keep recycling, especially during the Spring months when all of the sports teams take to the fields and consume every snack imaginable! If you want to help, the items we are recycling are below. Please note that we can only take the brands listed. While you may have other trash made of similar materials to the listed products, we can only recycle the brands noted below .

Currently, we are looking to recycle: 1) juice pouch containers (all brands); 2) cookie wrappers (snack and full size) – ONLY Keebler products and Nabisco products including: Chips Ahoy! Nutter Butter, Oreo, Mallowmars, Fig Newtons, Nabisco 100 Calorie Packs, Oreo Cakesters; and; 3) ONLY Frito-Lay chip bags (all sizes) including Lays Potato Chips, Doritos, Fritos, Cheetos, Tostitos, Sun Chips, Rold Gold Pretzels and any other Frito-Lay product.

There are two plastic collection bins located inside the Education Building at the side entrance next to the restrooms. Please leave your recyclable snack packages in the bins at any time. Thank you for thinking GREEN.

Women Welcoming Women

Women Welcoming Women (WWW) is a women's organization at St. Paul's that celebrates women of all ages and stages and provides them with the opportunity to socialize together several times throughout the year. Each social gathering is intended to be a relaxing evening out without any pressure to commit or to volunteer.

Our first event for 2011, hosted by Betty Charlton and Susan Coulter, was a great success. With the assistance of our music director for the evening, Susan Gilbert, we played a rousing game of "Name that Tune" and warbled our way through a couple of songs. A great evening was had by all.

As of now, there are no further events planned for WWW this year. We have not had any volunteers commit to "host"

additional events in 2011. Hosting duties are not time consuming and take only the slightest imagination to plan. If you think you might want to host a WWW event, please respond to Sherri Hubbard at sherri.hubbard@ncdoi.gov as soon as possible.

In addition, WWW is looking for a new chair to lead this ministry. This is an easy ministry to chair as there are no meetings, no particular time commitments. This is a social group and the chair's job is to provide the women of St. Paul's an occasional opportunity to socialize! If you are looking for a way to share your time and talent and socializing is at the top of your list of things to do, please contact Sherri Hubbard.

News from St. Paul's Preschool

We have had a busy March as the children celebrated Mardi Gras, Dr. Seuss's Birthday, had Class Picture Day and Hot Lunch for the 3, 4, and 5 year olds. We closed out the end of the month with conferences for our "old" children, the 4 and 5 year olds. Time is passing so quickly it is hard to comprehend that school will be out in 1 ½ months. The children have grown so much this year and we are proud of how hard they have worked. In April, our classes will be hard at work on preparing for Easter. This will be a crazy fun time as we work hard to accomplish many activities before Spring Break. Preschool will be closed for Spring Break and Easter from

Monday, April 18th – Monday, April 25th-reopening on Tuesday, April 26th.

Our enrollment for the 2011-2012 school year is shaping up nicely. We still have a couple of spaces available in our 2, 3 and 4 year-old classes. Please send friends and neighbors our way if they are looking for a preschool.

The Summer Fun program will be accepting applications from non-preschool families after March 28th. Please call the preschool office at 467-3788 to see availability.

Happy Easter!

Communion Classes and Celebration

Over 30 children are attending St. Paul's three week communion class series, taught by our clergy. The children are learning about baptism, the history of the Last Supper, and about the Eucharist. We look

forward to celebrating the completion of the communion classes with the participants on April 3, where they will be recognized at the 9:00 a.m. service. A festive coffee hour will follow and all are welcome to attend.

VBS-A Beach Bash!

Are you ready for some fun in the Sun? Then dive into St. Paul's Vacation Bible School where we will have a beach blast! Children will have a great time hearing stories, singing songs, creating crafts, and playing games. But most importantly, they'll discover just how much God loves them. VBS will be held July 18-22, 2011 from 9:00 a.m. -12:00 noon. All children from age 3 through

rising 5th graders are welcome; St. Paul's affiliation is not required to participate. We are looking for volunteers who would like to help with the fun. Please contact Christine Ingram for volunteer opportunities. Registration forms for all children and volunteers are in the narthex and on the church website (www.stpaulscary.org).

Annual Easter Egg Hunt-we need CANDY!

On April 24, Easter Sunday, St. Paul's Children's Ministries will host the annual Easter Egg Hunt during the Sunday school hour. No Sunday school will be held so that all the children can participate in this exciting event. If the weather cooperates, we are hoping to have our hunt outside this year! To help with the hunt, we are in need of small (to fit inside plastic eggs),

individually wrapped candies. We would also welcome stickers, tattoos, silly bands and small toys or trinkets that are church/Easter oriented. Please drop off all candy donations in Room 2 of the education building. You may leave your donation outside Room 2 if the door is locked. Or, you may bring the candy to Christine Ingram in the church office. Thank you!

Children's Stewardship

Since last June our children have been steadily building up their stewardship fund and now have over \$1200 to "spend" on their chosen charity. Our 5th graders chose Episcopal Relief and Development as their charity for this year and have decided to use that money to buy 1 cow,

1 pig, 1 goat, 5 clean waters (5 people), 1 Roving Health Clinic (1 person), and 12 mosquito nets and training. What wonderful gifts these will be to people in need! Thank you to our children for their continued generosity!

Family-Friendly Stations of the Cross

On April 22, 2011, Good Friday, a family-friendly Stations of the Cross service will be held in the church at noon. We will have a brief reading and

response at each station. Child care will be available in Kid's Club for our littlest parishioners.

Mite Boxes

On Easter Sunday, children will be invited to bring their mite boxes forward as an offering to God and to benefit Episcopal Relief and Development, specifically for the NetsForLife program. NetsForLife provides mosquito nets and

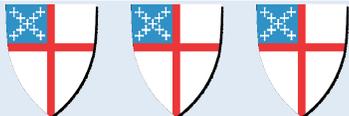

training for people in Africa. Each net costs \$12 and, on average, 3 people sleep under each net. We look forward to seeing how many nets our children will fund!

High School Spring Break Trip

The annual High School Spring Break Mission trip is a little bit different this year. We will be leaving St Paul's on Saturday morning, April 16th and will be returning on Tuesday night, April 19th. We will be heading toward

Wilmington and Southport, NC where we will fellowship with the EYC at St. Phillip's in Southport, engage in mission work, and spend some time in retreat. The cost will be \$100. Scholarships are available. REGISTER NOW!!!

Kiva Update

The EYC continues to support Kiva through continued donations and the re-lending of money that has already been invested. Because Kiva is a loan organization, we have the benefit of being able to continually re-lend money as it is repaid. As we have a large amount of money invested in Kiva and being actively loaned, the EYC has decided to take the Bishop's

Nets For Life challenge as their own. St. Paul's EYC has set a goal of funding a net for every active member of the EYC. The donations at the Shrove Tuesday Kiva Carnival offered a strong start and the EYC is on its way to reaching their goal! Water bottles and T-shirts remain available with a donation. Speak to an EYC member or leader if you are interested

Nets for Life

As you reflect during this Lenten season, please remember Bishop Curry's 2011 project to provide chemically treated mosquito nets for those in sub-Saharan Africa, where a child dies from malaria every 60 seconds. Each parish is challenged to provide one net for each adult confirmed congregant. Each net can provide protection from mosquitoes during the night for three people, often women and children. For St. Paul's that

equates to approximately 540 nets. At \$12.00 a net, it surely is a reachable goal.

Facilities Management

The St. Paul's Bell

In the summer of 1965, forty six years ago, Catherine Williams, a charter member of St Paul's, donated the bell in memory of her grandfather, Edwards Stokes Fishbourne Sr. The bell was mounted in a cupola that the parishioners built on the first church building. The metal church building had been constructed in 1960. It was affectionately called "The Tin Building."

For sixteen years a child was selected for each Sunday church service to have the honor of ringing the bell to call the parishioners to worship. In 1981 the second church building, the current chapel, was built. The bell and the Cross from the top of the cupola of the old building were placed in storage.

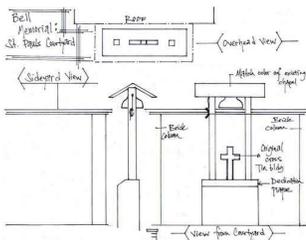

Today, if you walk from the parking lot to the courtyard and you look up as you enter, you will see a tower in front of the chapel. You will see a metal roof supported by two posts surrounded by a

brick base. Below the roof is a cross mounted on the base between the two posts. The roof, cross, and brick mirror the roof, cross, and brick of the chapel. The metal roof reminds us of the Tin Building. Walk over to the tower and you will see the bell mounted between the posts under the roof. This is the Bell Memorial. The Bell and Cross were on St. Paul's first church building, the Tin Building, constructed by the parishioners.

On June 12 of this year, during the courtyard dedication, the Bell Memorial will be dedicated to the founders of St. Paul's.

At the Easter Sunday services, after thirty years, the bell will ring out to the Glory of the Resurrected Lord, to call the parishioners to worship.

Courtyard Changes Pause for Easter

This season of Lent offers a unique opportunity to set aside the "busyness" of life, and to reflect. As we pause our work during April, we encourage you to linger in the Courtyard and enjoy the many views.

The Courtyard transformation is being funded entirely through a \$5K donation from 2010 Lobsterfest proceeds, and the generous gifts of time, talent and treasure from parishioners. We will continue the transformation as funds become available.

How can you help?

- Contribute to the effort: Your financial contributions to the Courtyard Fund

will allow us to: address the courtyard entry way; install high-efficiency lighting; create a lattice surround for the Parish Hall HVAC area; install rain barrels and ensure water delivery for newly planted trees and larger shrubs. Simply write a check to St. Paul's Episcopal Church, with "Courtyard Project" in the memo line.

- Volunteer to work on the courtyard and the front entrance sign: Join fellow parishioners for a Community Work Day on Saturday, April 30.
