

St. Paul's Episcopal Church
Endowment Grant Request

2019

Endowment Fund from which you are requesting grant:

Grounds Beautification Fund **(\$1,884.00 available)**

The purpose of this sub-fund is to support the ongoing beautification of St. Paul's campus through capital improvements to the grounds. Distributions shall be used for the design and installation of long-lived trees and plants, and permanent elements such as retaining walls, walkways, garden structures and lighting. The intent of this sub-fund is to provide funding exclusively for grounds beautification and not for grounds maintenance and repairs which would normally be funded through the operating budget, such as corrective actions to the retention pond, corrective drainage actions, re-paving the parking lot, repairing existing sidewalks, removing existing landscape elements, etc.

Outreach Fund **(\$1,469.00 available)**

The purpose of this sub-fund is to support outreach above and beyond the operating budget. Distributions shall be used outside of the church's outreach budget, providing support to new outreach ministries or to charitable organizations outside of the parish. These funds are not to take the place of operating funds designated to outreach.

Grant Proposal:

Please include amount requested, a description of how the proposal meets the uses set forth above, as well as a description of how this proposal will help St. Paul's to know Christ and to make Christ known. Feel free to attach additional pages as necessary.
